

## SNIM OPEN CALL FOR COMPOSITIONS

snim – the spontaneous network for improvised music ([snim.klingt.org](http://snim.klingt.org)) – is calling for compositions for the festival *das kleine symposion*. The festival's 6th edition will take place at echoraum, Vienna, on November 7, 9, and 14, 2013.

We are looking for submissions related to this year's topic „Radschlag“. (If you don't speak German, please look up Rad, Rat, Schlag, Rad schlagen and Ratschlag.)

We are open for proposals for new pieces and already existing ones, when they relate to our topic.

The piece should not be longer than 15 minutes. It is ok if it is shorter. See below for the available instruments and musicians. If needed for a piece, we can try to provide one or two additional musicians.

Your submission must include:

- a draft, concept and/or detailed description of a new piece or complete score and recording (if possible) for an already existing piece
- (estimated) duration of the piece
- required instruments
- technical requirements
- short CV
- scores and recordings of previous works (selection) if available
- financial expectations
- contact info

Send your submission to [gabriele.drab\(at\)gmx.at](mailto:gabriele.drab(at)gmx.at) **UNTIL APRIL 30, 2013**

Please do not attach big files to emails. Use dropbox or any other file sharing method for submitting scores and sound files. Thank you!

If you are selected for commission of a new piece, please provide the complete and readable score (including sign explanations if necessary), parts, and any performance materials by September 15, 2013.

If you have any questions now or along the way, about the instruments or anything else, please do not hesitate to contact us! [gabriele.drab\(at\)gmx.at](mailto:gabriele.drab(at)gmx.at)
